

The Engineering Society of Detroit **2017 Outstanding High School Student of the Year Scholarship Application Form**

ESD will be offering one or more \$1,000 scholarships to graduating high school seniors who will be pursuing a career in engineering or the life sciences. The award(s) will be presented at the Society's annual awards program held in June. All applicants will receive a one-year complimentary Student Membership in The Engineering Society of Detroit. Each applicant is requested to supply information about his or her academic background and extra-curricular activities.

To be considered, applicants must:

- Have at least a 3.0 grade point average
- Be pursuing a career in the field of engineering or the life sciences
- Participate in volunteer activities

This application, along with a letter of recommendation from a teacher or counselor, will serve as the basis of evaluation. Final decision as to the award of the scholarship(s) will be in the hands of the Scholarship Committee.
